

Time Building Program

The purpose of this program is to help the private pilot obtain the required flight hours to complete the instrument rating under part 61 requirements. Are you on a training deadline? Get your flight time in 2 weeks, day or night.

Option 1

40 hours of cross country flights with **your** own aircraft and a certified flight instructor

Total \$2040

Option 2

40 hours of cross country flights with **our** aircraft and a certified flight instructor

Total \$6995
